

The Position

The Assistant Alpine Coach/Technician helps to support the Alpine Director of Northwood School's Alpine program, working to recruit, support, and develop student-athletes involved in competitive ski racing. In addition to providing coaching and leadership on snow, this person will help team members in tuning and equipment maintenance. This position is a seasonal, exact dates to be determined, reporting to the Alpine Director and Athletic Director.

Provide leadership and direction for student-athletes and coaches:

- Work with the Director to maintain and grow the snow sports programs under the guiding principles of the school and athletic department's mission, philosophy, and core values
- Work in collaboration with the NYSEF staff
- Help organize and oversee training and race strategies and help student-athletes with equipment tuning and maintenance
- Work with student-athletes to develop a lifelong appreciation and love for the sport of Alpine skiing while helping them to grow and develop as skiers and individuals

The Process

If interested in this position, please send a resumé, letter of interest, and contact information for three references to Gino Riffle, Athletic Director at riffleg@northwoodschooll.com.

School transcripts and letters of recommendation are not required at first, but will be required after preliminary screening. No phone calls please. We prefer electronic attachments rather than paper. An onsite interview is required. Criminal background checks are performed on all new hires.

Northwood School is an equal opportunity employer, and will not discriminate, or tolerate discrimination, against any employee or applicant in any manner prohibited by law.

Requirements

- Bachelor's degree
- Experience in Alpine racing as a competitor, coach or administrator with exhibited technician experience
- USSA Level 100 Coach Certification is desirable
- Proven leadership management, and administrative skills
- Effective verbal and written communication skills
